

## Dog Manners Course

### Lesson Three - homework

#### Attention game 3

10 times	Step	Distractions	Tips / notes
	Stand in one spot outside and wait for your dog to look at something in the environment. Mark the instant your dog looks away from the distraction and towards you.	High: Outside your front door	Use high value foods
	Same as above	High: Outside your front door	Same as above
	Same as above	Very High: Out on a walk	Same as above
	Same as above	Very High: Out on a walk	Same as above
	Same as above	Very High: Out on a walk	Same as above

#### Auto Sit

10 times	Step	Distractions	Tips / notes
	Throw a treat to the left. When your dog comes back to you, wait for them to offer a sit. Mark the instant your dog sits. Feed in position and then throw a treat out to the side	Very low: Inside away from low windows or normal household distractions	If your dog struggles you can ask for a sit
	Same as above	Moderately low: A new room inside	Same as above
	Same as above	Higher: Inside, with distractions such as running kids or near low window	Same as above
	Same as above	Moderately high: In your garden or equivalent	Same as above
	Same as above	High: Outside on a walk	Same as above

## Recall

10 times	Step	Prompts	Tips / notes
	Say your recall cue followed by putting your hand out. Mark the instant your dog touches your hand then throw a handful of food on the floor. Run to the other side of the room	Heavy: Make kissy noises, clap your hand, jump around	Don't repeat your recall cue
	Same as above	Moderate	Same as above
	Same as above	Low	Same as above
	Same as above	None	Same as above

## Loose Lead Walking

10 times	Step	Steps	Tips / notes
	Lure your dog into the heel position. Mark the instant they are in position. Reward then take one step forward. Mark the instant they are in position and reward.	1	If the lead goes tight. Stop and lure your dog back into position.
	Same as above	2	Same as above
	Same as above	3	Same as above
